PERK CODE: POCKETCORP2027

Equip Every Cohort, Member & Student Venture With A Personal Corporation in Their Pocket!

Omnia Theatre Ecosystem Perks Brief (2026–2027): Designed for Startup Accelerators, Incubators, Chambers of Commerce, Small Business Centres, and University Business, AI & Film/Media Faculties. Give your founders and members a cryptographically governed 9-department AI executive bench on Day One.

WHAT YOUR ORGANIZATION UNLOCKS WITH POCKETCORP2027 ($0 COST TO YOUR HUB)

50% OFF × 3 Mos

+ $50 Compute Runway Credit

Every verified cohort startup, Chamber SMB member, or student venture unlocks 3 months at half price plus $50 in Luna $ / Sol $$ starter runway.

2 Free Seats

Managing Director / Faculty Lab

Complimentary executive sandbox seats for your Program Director, Chamber CEO, Entrepreneurship Chair, or AI Lab Principal Investigator.

25-Min Live

"First Board Meeting" Clinic

Optional live founder clinic (in-person in BC or global interactive stream) teaching safe, human-gated multi-agent operations in 180 seconds.

TAILORED IMPACT ACROSS FOUR PARTNER ECOSYSTEMS

STARTUP ACCELERATORS, INCUBATORS & VENTURE STUDIOS

Extend Seed Runway by 6–12 Months

Two technical or domain founders gain a coordinated PM, Backend, QA, Red-Team Security, CFO Runway, Strategy & Brand bench—shipping at Series-A speed before taking on payroll bloat.

CHAMBERS OF COMMERCE, BIAS & SMALL BUSINESS HUBS

Reclaim 12+ Hours/Week for Main Street Owners

Trades, clinics, retailers, and boutique agencies speak into the 16kHz Voice Vault between job sites while AI department leads prep quotes, receipts, and copy for 1-tap Face ID sign-off.

UNIVERSITY BUSINESS SCHOOLS & ENTREPRENEURSHIP LABS

From Case Study to Live Venture Execution

Commerce cohorts and campus incubators run real customer discovery, unit-economics modeling, and GTM sprints inside persistent multi-department rooms with strict spend caps.

AI RESEARCH LABS & FILM/MEDIA FACULTIES (+ PTOLEMY STUDIO)

Multi-Agent Governance & Pop-Up Production Offices

CS/AI clubs inspect RFC 8785 cryptographic human gates & Delicate-List isolation; Film/Media students pair King's Audience production offices with Ptolemy Studio's Creator-tier trial.
